WARRANT FOR THE ANNUAL TOWN MEETING

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Canterbury in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Canterbury on Tuesday, the fourteenth day of March, next at ten of the clock in the forenoon to act upon the following subjects:

(Polls open from 10:00 A. M. to 7:00 P. M.)

1. To choose all necessary Town Officers for the year ensuing. Meet at seven of the clock in the evening to act on the rest of the articles in the Warrant.

2. To raise such sums of money as may be necessary to defray town charges for the coming year and make appropriations of the same.

3. To see if the town will vote to give the Selectmen authority to borrow money in anticipation of taxes.

4. To see if the town will authorize the Board of Selectmen to sell, lease or otherwise transfer, at public sale, real property acquired by the town by Tax Collector's deed.

5. To see if the town will vote to raise $50.00 to be expended in cooperation with the New Hampshire Forestry and Recreation Commission for the opening and maintaining of trails and old roads for forest fire protection. The New Hampshire Forestry and Recreation Commission

to provide a matching sum not in excess of $25.00 for this purpose.

6. To see if the town will vote to establish a Capital Reserve Fund of $1,000.00 to be taken from cash surplus as authorized by Article 35:1 of the N. H. Revised Statutes Annotated, for replacement of highway equipment.

7. To see if the town will vote to raise and appropriate a sum of $300.00 for Blister Rust Control in Canterbury for 1961.

8. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this twenty-third day of February, in the year of our Lord nineteen hundred and sixty-one.

OLIVER R. FIFIELD,
ROBERT V. LEE,
ARTHUR G. BROWN,
Selectmen of Canterbury

Selectmen of Canterbury

CLERK'S REPORT OF THE MARCH 8, 1960 ANNUAL TOWN MEETING

After ballots were counted and the Check Lists were certified, the annual meeting was called to order by the Moderator, Carl A. Thunberg at 10:00 A. M. Then followed the reading of the posting of the Warrant and Check List. The reading of the articles of the Warrant and items of the Budget followed.

It was voted to close the polls at seven o'clock P. M. The meeting also voted to work under Article I through the day until closing of the polls. The polls were not closed until seven forty-five due to voters appearing after the proposed closing time. The meeting was now working under Article I. The result of the balloting was as follows:

Selectman for three years	Arthur G. Brown
Town Clerk for one year	Sabin N. Guertin
Treasurer for one year	Richard A. Dickson
Tax Collector for one year	John C. Malcolm
Road Agent for one year	Philip K. Stone
Auditor for two years	Archie W. Berry, Jr.
Auditor for one year	Lois E. Johanson
Trustee of Trust Funds for three years	Catherine Dickson
Trustee of Trust Funds for two years	Virginia Dudley
Library Trustee for three years	Wilbur E. Thompson

Article II

To raise such sums of money as may be necessary to defray the expenses of the town for the ensuing year. It was at this time voted to take the items in the budget separately and then accept the budget as a whole as amended. The only change in the bud-

get was a raise of fifty dollars for the Planning Board, making that Article $100.00. The budget was amended in the amount of $33,897.16 and was accepted.

Article III

To see if the town will vote to give the Selectmen authority to borrow money in anticipation of taxes. Accepted as read.

Article IV

To see if the town will vote to authorize the Selectmen to sell, lease, or otherwise transfer, at public sale real property acquired by Collector's deed. Accepted as read.

Article V

To see if the town will authorize the Selectmen to contract for disposal of the Canterbury portion of the Hannah Dustin Bridge. Accepted as read.

Article VI

To see if the Town will vote to discontinue three portions of Class V Highways being a part of those highways recently reclassified, from Class II to Class V upon completion of the Hoyt Road interchange, and connecting spur to route 3 in Boscawen. Accepted as follows:

PORTION 1.

Hannah Dustin Drive, so called, from the Canterbury-Boscawen line in the middle of the Merrimack River Bridge south-easterly a distance of three hundred twenty-five feet, to a point about one hundred feet south-easterly of the south-easterly abutment of said Bridge.

PORTION 2.

Boyce Road or Penacook Road or sometimes called the Canterbury Road, from the westerly right of

way line of the Boston and Maine Railroad, easterly about two hundred feet to the westerly right of way line, of the Interstate Highway Route 93, about opposite south bound center line Station 401 plus 00.

Portion 3.

The same Boyce Road, however, otherwise called, from the easterly right of way line of the Interstate Highway Route 93 easterly about fifty feet to the westerly right of way line of the frontage road carrying Boyce Road traffic to the Hoyt Road interchange. Accepted as read.

Article VII

To see if the Town will vote to establish a Capital Reserve Fund of $7,000.00 to be taken from Cash Surplus as authorized by Article 35:1 of the New Hampshire Revised Statutes Annotated. This Capital Reserve Fund to be used for reconstruction or replacement of the Boscawen-Canterbury Bridge adjacent to the Jordan Farm, at such time as the Town may authorize the reconstruction or replacement of this bridge. Accepted with the following amendment —

That any earnings of the said fund not be used for any other purpose except by vote of the Town and that it shall take a two-thirds vote to change this amendment.

Article VIII

To transact any other business that may legally come before this meeting. The following resolution was proposed by Alexander Standish:

Whereas there are eleven signs between the Concord Traffic Circle and the Boyce Turn Off directing traffic to Franklin, Tilton and Lebanon and whereas, there are no signs directing traffic to Canterbury on Route 93 and whereas this lack of signs is causing

confusion to visitors to the Town of Canterbury, and is detrimental to the town, be it resolved, that the State Highway Department be requested to add the name of Canterbury to a sign in Concord and at the Boyce Road turn off, and that a copy of this resolution be forwarded to the State Highway Department and also to the Governor of the State of New Hampshire.

At this time the meeting returned to finish its work under Article I. All ballots being counted, the Moderator annonced the result of the balloting as recorded. No further business appearing the meeting adjourned.

A true report to the best of my knowledge.

SABIN N. GUERTIN, *Clerk*

* To be allocated on a per admission basis, between the Concord Franklin and Laconia Hospitals.

SELECTMEN'S REPORT

Canterbury has completed another fiscal year with a favorable cash balance. In spite of increasing cost, and the capital reserve fund for bridge construction voted at the last town meeting, a reduction of approximately $4 per $1,000 in the 1960 tax rate was possible. Increased tax income from construction equipment was primarily responsible for this reversal in our tax trend.

It now appears that taxes will increase in 1961. We, therefore, solicit your careful review of all town expenses and your approval of only those necessary for the town's welfare.

The Canterbury-Boscawen bridge remains our most serious problem. In spite of considerable urging on our part, the Boscawen Selectmen have refused to apply for State Bridge Aid. Since the legislation which limits loads on the bridge to 3 tons will expire in April 1961, we have asked our state repesentative to sponsor a a bill to continue the present 3 ton limit on the bridge. It is our hope that this bill will pass, and a new approach to this problem will be possible. If it is defeated, the Selectmen will have no choice except to close the bridge.

The need for additional cemetery area is a problem which must be resolved in the coming year. Your selectmen have asked the Planning Board to assist them in this project.

Recently, the State Tax Commission adjusted Canterbury's percentage of average assessed valuation. Our new average level of assessment is 39%. This figure will be used to determine our share of State Aid for schools and roads. It appears that a complete

reassessment of town property should be undertaken in the near future. If necessary, a recommendation for action in this matter will be presented at the 1962 Town Meeting.

Selectmen:

OLIVER FIFIELD, *Chairman*
ROBERT LEE
ARTHUR BROWN

REPORT OF THE CANTERBURY PLANNING BOARD

A meeting was held at the Parish House in October in order that everyone could make suggestions as to the problems to which the Planning Board should be giving attention. It was a well attended and constructive meeting. Any resident of Canterbury should feel free, however, to make suggestions to any member of the Planning Board at any time.

The problems that the Board is currently studying include the following:

1. Lack of space in existing cemeteries is a major problem. Should the Town attempt to enlarge our present cemeteries or establish an entirely new cemetery Should the price of lots be increased so that the cost of new land and its maintenance will be self-financed? On new cemetery land, should there be regulations as to the position of headstones to reduce maintenance expenses?

2. As the town grows, more space will be needed in the Center for the Fire Department, the town trucks and school busses, for the Selectmen's Office and records, for the sand pile and for adequate parking space. A sound long range plan is needed.

3. Town and school expenses are certain to increase as the town grows and the tax burden on real estate will become increasingly oppressive unless the State adopts some form or broad based tax and refunds the proceeds to the towns. A tax forum will be held March 10 at which a panel of experts will discuss various plans and there will be an opportunity for open discussion of this vital problem.

4. A study is being made to determine the original names of the roads in the town and the cost of erecting identifying signs. Adequate road signs would facilitate directing emergency vehicles and make it easier for strangers to locate town residents.

5. The feasibility of maintaining a map of the town in some public place on which property available for sale might be outlined. The Board cannot act as a real estate office but it can be a clearing house for information on property availability.

ELKINS PUBLIC LIBRARY

Trustees' Report

In 1960 the Library Trustees held six meetings. We also attended three meetings with library groups from other towns.

Library Week was observed from April 3rd to 9th. Each grade in the elementary school had a special project, including book illustrations, puppets, models, dioramas and posters based on favorite books and characters or to call attention to Library Week. A special story hour was held one morning for pre-school youngsters. Adult activities included a week long hobby exhibit, a cribbage evening, a Woman's Club tea observing "Old Fort No. 4 Day" and an open house with special book reviews.

Children's books were featured during National Book Week. Posters were exhibited at the Post Office and at the school.

The library has been very fortunate in receiving a large number of books as gifts for your use. These added to books purchased by the library and borrowed from the Bookmobile offer a wide range of subjects for your reading choice.

A large part of the library program is due to the volunteer work of the "Friends of the Library" and other interested persons who have helped to greatly expand the services the library can offer you, including opening for your use on Tuesday evenings, and for semi-monthly visits by the school children. We wish to thank all these people who have helped make your library more useful to you.

We have joined with four neighboring town libraries in participating in the Shieling Trust directed by the State Library. The Shieling Trust provides funds, for one year, to help libraries buy special books which they could not ordinarly afford. The books are selected by the member libraries. They are for the use of all in the group.

The library has been used for the school music program and for the meetings of town committees and organizations.

EUNICE I. WILKINS,

REPORT OF THE CANTERBURY VOLUNTEER FIRE DEPARTMENT YEAR 1960

Nineteen hundred sixty showed a slight increase in the number of fire calls having a total of 20 alarms. This was the highest number since 1955, when we had 25 alarms. Of these 20 calls, five were chimney fires, four were brush or grass fires, four were out of town calls where we had a chance to help our neighboring towns, just as they so often help us, four building fires, one small boy lost, one summer fire at the town dump and one tank truck fire.

The greatest property loss was in the four building fires and the tank truck fire. On January 10 the Magoon camp in the Uplands burned. On February 22 the Dudley residence was damaged by fire but restoration was still feasible. The garage at the Stanley Krauz residence was destroyed together with a car. Fortunately the house was saved. The fourth building fire was the home of Mrs. Adeline Drew located near Penacook. On July 20 a trailer truck loaded with oil for surfacing the new state highway became ignited from its self-contained oil burner and caused a serious hazard and fire on the access road at Canterbury Depot. It was extinguished although the loss was quite high.

The only other fire of note was a load of hay that became ignited at the town dump. This occurred on July 21. Each year the dump gets to burning, creating hazards to the adjoining property. It is almost impossible to extinguish a dump fire. It is expensive as well as time consuming. During the winter with snow on the ground no harm can come from a burning dump. In fact, it is desirable to have the dump burned during snow time. However, during the dry sea-

son of the year our entire community should make every effort to prevent a fire from getting started. I ask your help in this matter.

Thank you for your cooperation in preventing fires from breaking out and your splendid assistance when fire emergencies do occur. The members of your fire department work hard at trying to make Canterbury safe from fire. With your continued help we can keep our fire losses small.

RALPH W. KEELER, *Fire Chief*

CIVIL DEFENSE

The Civil Defense Organization this year added blankets and cots to their supply of equipment for emergency use. As was indicated at Town Meeting last year, we still intend to purchase supplies for emergency use as they become available through surplus property. We have a request in for mattresses at the present.

CHARLES H. SMITH,
Civil Defense Director

PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings grazing and wildlife are destroyed — all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First — by setting a good example YOURSELF — being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second — by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning — don't leave it.
3. Make certain your fire, camp or debris is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles — make sure they are out — use your ash tray.

5. Don't burn at home — use your town dump and save yourself much possible difficulty, both personal and financial.

Number of Local Fires — 2
Number of Acres Burned — ½
Number of Permits Issued — 60

COLIN HEATH, *Forest Fire Warden*
THOMAS J. KING, *District Chief*

REPORT OF TOWN AUDITORS

We have examined the records of Town Treasurer, Town Clerk, Tax Collector, Trustees of Trust Funds, Road Agent, Elkins Public Library, Canterbury Volunteer Fire Department and the Selectmen for the year ended December 31, 1960 and have found their accounts correctly cast and properly vouched.

LOIS JOHANSON,
ARCHIE W. BERRY,
Town Auditors

Regular Meeting, School Board, Third Wednesday of the Month
7:30 P. M.

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Cantrebury qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the eleventh day of March 1961, at six o'clock in the afternoon, with the moderator opening the meeting, declaring the polls open for voting from six o'clock to nine o'clock for school district officials and declaring the business section of the meeting at seven-thirty o'clock for action on articles 5-10 inclusive.

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation

of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will accept the recommendation to officially name the school "Canterbury Community School".

10. To see if the district, in accordance with Chapter 194 Section 3 of N. H. School Laws, Codification of 1955, will authorize the school board to purchase a school bus and enter into such contracts as necessary to finance the same.

11. To see if the district will authorize the school board to use any surplus from the 1960-61 budget, exclusive of the tuition balance and the Valley Trust Company dividend, towards the purchase of a school bus if authorized by action of the district under Article 10.

12. To see if the school district will authorize the school board to secure bids and enter into contracts for lease or rental of a new school bus for a maximum of five years or a used school bus for a maximum of three years.

13. To see if the district will authorize the school board to purchase one item or several items of equipment from the balance of the Kezar Fund ($216.02 plus interest) recently paid to the school district.

14. To transact any other business which may legally come before this meeting.

Given under our hands at said Canterbury this thirty-first day of January 1961.

CANTERBURY SCHOOL DISTRICT MEETING

March 5, 1960

Meeting opened at 6:25 P. M. by the Moderator, Carl A. Thumberg, with the reading of the warrant.

Business meeting began at 7:35 P. M.

Article 5—Accepted as read

Article 6—Accepted as read

Article 7—Accepted as read

Article 8—Mrs. John Malcolm moved the budget be taken up item by item.

Article 9—Mrs. John Malcolm moved that article be accepted. A discussion was held. Mrs. Malcolm submitted a resolution to add $800.00 for a part time art teacher, and a second resolution to add $100.00 for supplies and materials for the teaching of art. Mr. Ralph Keeler made an amendment to Article 9 that $900.00 be appropriated for a part time art teacher and supplies. Article 9 was then accepted as amended.

Article 10—Mr. Neal Andrew moved that the School Board be authorized to accept any donation offered to it. Accepted as moved.

Mr. Arthur Mudge moved that a breakdown of each item under Article 8 be made instead of to whom paid. Accepted as moved.

Mr. Arthur Mudge moved to have the Moderator appoint a committee to look

into a Cooperative High School. Accepted as moved.

Article 1—Moderator elected — Carl A. Thunberg 45 votes

Article 2—Clerk elected — Charles H. Smith 30 votes

Article—3—School Board Member elected — Douglas L. Ruesswick 46 votes

Article 4—Treasurer elect, John C. Malcolm 51 votes

Auditor—Lois Johanson— 7 votes

Archie W. Berry, Jr. 5 votes

Neal Andrew moved to ajourn the meeting at 9:40 P. M.

CHARLES H. SMITH,
School District Clerk

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Board, Parents and Citizens:

The Canterbury modern central school of 1961 represents a new era from the five scattered district schools in existence five years ago with their inadequate heating, lighting, playgrounds, ventilation, textbooks, libraries, reference materials, visual equipment, and real community interest.

The past five years have seen the development of similar textbooks for all grades, a new science portable laboratory with equipment, library books, more reference books, a good playground, a motion picture machine, a film strip machine, a school milk program, a transportation system, a better music program, five teachers combining teaching experience and talents, a strong academic program of studies, pupil success in the neighboring high schools, and school morale and spirit which will continue to grow among the pupils.

School costs like all personal, local, state, and national costs continue to advance while local sources of taxation remain chiefly the property tax. The local school budget reflects a minimum budget and will probably follow that trend until the state and federal governments extend financial aid.

The State Boad of Education is now advocating a program of increased foundation aid, incentive aid, school building aid, and school transportation aid which would be of tremendous assistance to Canterbury taxpayers and also greatly improve Canterbury education.

President James B. Conant of Harvard recently completed a survey of the schools of America and has released the book entitled "Education in the Junior High School". His recommendations cover chiefly Grades 7 and 8 and offer every community the opportunity to compare with the local program and to see the opportunities for improvement when state and federal funds are available.

Excerpts from the Conant Report follow:

"1. Required Subjects for all pupils in grades 7 and 8.
The following subjects should be required of all pupils in grades 7 and 8: English (including heavy emphasis on reading skills and composition,) social studies (including emphasis on history and geography), mathematics and science. In addition, all pupils should receive instruction in art, music, and physical education. All girls should receive instruction in home economics and all boys instruction in industrial arts.

2. New Developments in Mathematics and Foreign Language.
Some pupils should start algebra in the eighth grade. Some, if not all pupils should start the study of a modern foreign language on a conversational basis in the seventh grade.

3. Group activities for the pupils should include musical and dramatic activities, assembly and homeroom programs, interest clubs, intramural athletics, and student council.

4. Pupils should be grouped in ability groups.

5. Guidance and testing should be available.

6. High standards should be maintained in academic courses.

7. There should be a well-stocked library, a gymnasium with locker rooms and showers, specially equipped home economics rooms for girls

and industrial arts rooms for boys, auditorium space for half the student body, and cafeteria space for one-third the student body."

Some high schools of the area are planning to move civics, general science and elementary algebra for the bright pupils from the ninth grade to the eighth. These pupils will then take college courses in science and mathematics during the senior year. Canterbury has many bright pupils capable of following this procedure. It was only a short time ago that a Canterbury girl was first academically in the graduating class at Concord High School.

It is my duty as superintendent to point out places where Canterbury might improve the school and the program when finances are available, noting that Canterbury has made terrific progress in education and community effort when it built this school and received national recognition.

Some consideration could be given to:

1. The purchase of a television set to take advantage of the excellent educational programs from the University of New Hampshire Station, Chanel 11
2. The annual club fee membership for educational films from the University at a low rate, which enables a school to bring to the children the best in science, history, mathematics, art, current events, and culture.
3. A Goder Incinerator connected with the chimney for the daily disposal of waste materials.
4. Weather-stripping around all doors.
5. Darkening facilities in one room for films and film strips.
6. Draperies in rooms on first floor for shade from sun.
7. Additional bookcases and filing cabinets.

8. More science equipment and science storage.
9. A complete properly equipped school lunch program.
10. One man teacher to help in guidance and playground supervision.

The cooperation with the members of the School Board, Mr. Richard L. Stevens, Chairman, Mr. Neal D. Andrew and Mr. Douglas L. Ruesswick is greatly appreciated. These three men are genuinely interested in the school, the pupils and the program. Their long hours on school problems go far beyond the many evenings at board meetings. They have freely given their time and their zeal in improving the school, without asking the taxpayers for tremendous sums in taxation. Their budget is a minimum one. It is hoped that the day will come when new sources of money will free the property taxpayer of his terrific burden and also free the schools for progress towads the best education in the world and guaranteed continuation of democracy and freedom.

May I express my appreciation for the cooperation and assistance of the principal and teachers, the custodian, the bus operators, and all clubs and civic organizations.

I am sure that all Canterbury shares the beliefs recently expressed by the White House Conference on Education as follows:

"Schools now affect the welfare of the United States more than ever before in history, and this new importance of education has been dangerously underestimated for a long time . . .

"The schools have become the chief instrument for keeping this nation the fabled land of opportunity it started out to be . . .

"As long as good schools are available, a man is not frozen at any level of our economy, nor is his son."

Cordially yours,

GORDON L. FOX
Supt. of Schools

January 27, 1961

STATE OF NEW HAMPSHIRE FOUNDATION AID TO SCHOOL DISTRICTS

The following official state computation is inserted to show how districts qualify for state aid:

Elementary Average Daily Membership	123.1	
Elementary Membership X 201 Dollars per pupil		$24,743.10
Secondary Average Daily Membership	44.3	
Secondary Membership X 309 Dollars per pupil		13,688.70
Total Cost of Foundation Program		$38,431.80
1958 Equalized Valuation	$1,521,380.00	
Less 14 Dollar Tax on Equalized Valuation		21,299.32
Amount of 1960 Payment		$17,132.48

Tilton-Northfield School District—

High School Tuition Rate — $360 for 1960-61

Jonathan Comee Grade 12

REPORT OF COMMITTEE RE: COOPERATIVE HIGH SCHOOL

At the School District Meeting in March 1960 a motion was made by Arthur Mudge and carried by the meeting to have the Moderator appoint a committee to look into the matter of a "Cooperative High School". The committee has looked into this matter and has accumulated considerable information. A check on our own pupils attending High School from 1955 to 1960 showed that 110 went to Concord, 149 to Penacook, 11 to Belmont and 10 to Tilton. The census indicates that from now through 1965 we shall send an average of 53 pupils per year to High School.

At this point a word about High School size might be helpful. The New Hampshire State Department of Education suggests a minimum High School enrollment of 160. Dr. Conant states that the minimum number of students in a High School able to provide a good variety of courses is 500. For New Hampshire a figure of 300 is probably more reasonable. The enrollment at Concord is 875; at Penacook it is 259. Both of these seem to be within the range which a High School needs to provide a satisfactory curriculum.

The formation of Cooperative Districts in this State has virtually come to a standstill. This is mainly because of the lack of State financial aid for building and for transportation. However, there is a movement at present by the State Board of Education, supported by the Governor, to have the State's approximately 250 School Districts reduced to 60 or 30 Districts. This proposed legislation, if it becomes a law, will change the entire School District picture.

Information received from Concord and Penacook indicates that they have ample space for, and welcome,, tuition pupils. They feel that this situation

will continue for the next ten years. The same situation appears to prevail at Tilton and Belmont.

Under these conditions the committee feels that Canterbury does not need, at the present time, to take action regarding a Coooperative High School.

A file of material regarding the study of the Regional High School is available at the Elkins Library.
